# Managing research data

Sergio Martínez Cuesta

# Overview

What is research data?

How to manage your research data?

Tips and tricks

# Motivation

What would you do if you lost your research data tomorrow?

# What is research data?

Pieces of information that are descriptive of the research object ... or are the object itself

- ✔ Raw/processed data produced at a research facility

- ✔ Published dataset

Necessary to validate research findings

Experimental data

Images

Primary sources

Databases

Letters

Email

Audio recordings

Notebooks and diaries

Questionaries and surveys
